

Lower Milford Township

Lehigh County, Pennsylvania

Board of Supervisors

October 5, 2023, Workshop Meeting

MINUTES

Present: Donna Wright, Chair; Ellen Koplin, Vice-Chair; Lowell Linde, Supervisors; Emily Fucci, Township Administrator/Secretary; and 3 members of the Public.

The meeting was called to order at 6:34PM by Wright.

All stood for the pledge of allegiance.

Christopher Yetter, applicant for the vacancy on the Zoning Hearing Board, expressed his interest in serving the Township, his interest in preservation and his efforts to familiar himself with the Township Zoning Ordinance and role of the Zoning Hearing Board. The Board requested Yetter be appointed at the October regular meeting.

Discussion was held on the first draft of the 2024 budget, including potential equipment purchases, capital improvements to the Township building and the success of the trap-neuter-release voucher program under the 2023 contract with the Sanctuary at Haafsville. Fucci will inquire into different options to offer the trap-neuter-release programs to residents. The Board requested that quotes are received for the purchase of a 4WD dump truck, for a standing seam metal roof on the Township building and for speed humps on Milky Way.

Tim Cogle commented on the level of maintenance and propane costs that the new paver may need and inquired if that was considered in the budget. Cogle also expressed that if speed humps are installed on Milky Way, additional neighborhoods may request speed humps. Koplin stated that no speed humps will be put on cul-de-sacs or loop roads, and that Milky Way is a thru-street.

Motion by Linde to adjourn the meeting. Seconded by Koplin and unanimously approved.

Meeting adjourned at 7:56PM.

Respectfully Submitted,

Emily Fucci
Township Secretary
